

RESPONSE TO *EX PARTE* QUAYLE OFFICE ACTION
U.S. Appln. No. 10/090,639

REMARKS

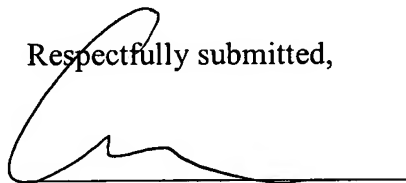

Claims 1-4 have been examined and have been allowed. However, the Examiner has noted that the application contains a minor informality that does not relate to the patentability of the application.

Specifically, the Examiner has objected to the title of the invention as not being descriptive. Applicant submits that the amendments to the title overcome the objection.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
